

## EXHIBIT OPPORTUNITY

Beginning October 25<sup>th</sup>, 2011 members of the Cedarburg Artist's Guild will have the opportunity to exhibit their artwork in the Mantel Orthodontics clinic. In addition to the usual traffic of the clinic, a large Christmas Party and open house will take place in the space in early December. We will display the artists' promotional items (business cards, information about the artist, etc.) in the waiting room area during the length of the exhibit. The length of the exhibit for each artist is 90 days. Interested purchasers will be able to contact the artist directly for the sale. No commission will be collected by the clinic- the artist will receive full reimbursement for their piece. If an item is sold, the artist is welcome to drop off another piece of work for replacement.

The space provides opportunities for two different artists to display their artwork in either the reception/waiting room area or the main hallway of the clinic:

### Reception/Waiting Room

2 walls 69" and 90" wide

Natural lighting

### Hallway

2 walls 83" long and 104" long

Track lighting. 3 lights have projectors that can customize the size of light to match the size of the artwork

**All artwork must be framed or on canvas and ready for hanging. It must also be labeled and priced. The staff at the clinic will hang the artwork. It must be appropriate for all ages to view. Larger pieces of artwork are preferred, but not required.**
